*Active*

A rooftop infinity pool at sunset. The pool's edge is perfectly aligned with the horizon, creating an illusion of water extending to the horizon. Several large, light-colored patio umbrellas are open along the pool's edge. In the background, a town with a prominent church spire is visible against a clear sky. The sun is low on the horizon, casting a bright glow and long reflections on the water. The overall atmosphere is serene and peaceful.

*See you  
soon*
